Dear Mayor and Council,

I am writing on behalf of the Lynn Valley Community Association to extend our sincere thanks for putting the Lynn Valley Youth Centre back on the agenda. We truly appreciate your recognition of the importance of this initiative, and we are hopeful that it will remain a top priority until it is fully realized.

As one of the fastest growing town centres in the District of North Vancouver, Lynn Valley continues to expand and attract new families. However, it is the only town centre in the District without a dedicated youth space. Creating thriving, livable communities starts with ensuring that our youth have a safe, welcoming space where they can connect, grow, and feel supported. The proposed Lynn Valley Youth Centre represents more than just a space for youth - it is an investment in the well-being and future of our younger generation and our community.

Thank you again for your continued support on this project. We look forward to seeing it brought to fruition and are excited about the positive impact it will have on our community.

Sincerely,

The Lynn Valley Community Association
